Why do I say that secret societies are the MOST evil?

Secret talks and gatherings slowly instil the belief of **NO ACCOUNTABILITY** in their members.

Remember that the **Nufs**/human nature is **evil**. We are trapped in these corporeal bodies, and one of the tests in this life is to overcome it, i.e. keep it in check, subjugate it, keep it under control.

The more you believe in secrecy, and the more practise it, then you will start to feel that you can get away with things, i.e. that **you will face no punishment**. And this is the **WORST** state to be in, and you must be **ON GUARD** from such people, because there is **NO LIMIT** to what kind of sick evil they will do

In the movie Never Back Down, the antagonist is called Ryan, who pretends to be friends with the protagonist called Jake, but Ryan is secretly deceptive and humiliates him.

Also at the beginning of the movie, Ryan actually has a secret fighting club at school, which Jake tries to stop, only to find out that the fight he was trying to stop was actually a "spar". Also as he tries to stop the fight, Ryan gives him a **fake smile**, which we will look at more throughout the article

Pretentious Satanic Smile

"Indeed [malicious] secret talks are from the **Shuytaun**" - **Gor'aun 58:10**

"The Shuytaun is the one who [**intentionally**] misleads the people" - **Tafseer of the Gor'aun**

Person in the white jumper helps manage this fraternity. If you examine him **VERY** carefully, you will come to realise that he is actually a Shuytaun that intentionally does evil whilst knowing it's wrong, and he wishes to make people evil, hence leading this fraternity

"Beware of the insight (Ferausuh) of the Mo'men, for indeed he sees with the light of Allauh." - **Sonun al-Termedhee**

Also in the movie Fight Club, it starts out as a underground fight club that none of their members are allowed to talk about, and so it's embedded with secrecy. Throughout the movie, their members start becoming criminals, and even do very sick and twisted things

A Transgender and Reptilian Hybrid Shuytaun

As Zakah1 explained, late night hosts blurt out "random" words or sentences throughout their monologues, but these aren't meant for the audience to understand. The Shuyauteen signal each other, as the Gor'aun says:

"That is how for every Nubee We appointed as enemy the Shuyauteen from among the Ens and the Jenn, who inspire **each other** with flashy words, deceptively" 6:112
